CONTENTS

| | |
|---|--------------|
| Preference towards marketing channels: a case of tomato farmers in Kolar district of Karnataka POOJA S BHAT and R VENKATRAM | 1-8 |
| Knowledge and job performance of Anganwadi workers AKSHATHA and SUREKHA SANKANGOUDAR | 9-13 |
| Prevalence of orphans in Dharwad Taluka, Karnataka DANESHWARI ONKARI and SUNANDA ITAGI | 14-16 |
| Factors influencing the adoption of recommended package of practices by pepper growers of Wayanad district, Kerala MEENU ELIYAS and P SUMATHI | 17-19 |
| Impact of growth regulating compounds on leaf area index in transplanted rice under moisture stress condition RAJAYKUMAR and S MURALI KRISHNASAMY | 20-23 |
| Effect of different planting systems and varieties on economics of banana production CD BADGUJAR, AABHAGAT and VA SALVE | 24-26 |
| Knowledge of farmers of Thanjavur district of Tamil Nadu on organic farming in paddy S KALAIVANI | 27-29 |
| Sensory evaluation of Pedha using different levels of banana pulp and storage period HC BADGUJAR, KH PUJARI and PP RELEKAR | 30-33 |
| A study on price spread and marketing efficiency of sweet orange in Nalgonda district of Telangana VALLAPU SATEESH and VM INDUMATHI | 34-38 |
| Effect of integrated nutrient management on growth and floral attributes of nerium (<i>Nerium oleander</i> L) G GOPITHA, M KANNAN, A SANKARI and R SANTHI | 39-42 |
| Study on cultivation and marketing of traditional rice varieties in Thiruvavur and Nagapattinam districts, Tamil Nadu S VIJAYAKRISHNA, A ROHINI, SD SIVAKUMAR and T SENGUTTUVAN | 43-48 |
| Assessment of the farmers attitude towards banana cultivation and export in Coimbatore and Erode districts of Tamil Nadu M KANDEEBAN and M MALARKODI | 49-51 |
| Growth performance of herbal crops under three-tier agroforestry system VISHNU K SOLANKI | 52-56 |
| Constraints experienced by onion growers of Nashik district of Maharashtra KUMUD SHUKLA, NAHAR SINGH, M VINAYA KUMARI and RAMCHANDRA | 57-60 |

| | |
|---|----------------|
| Estimation of tannin content in leaves, bark and fruits of <i>Terminalia arjuna</i> Roxb MANISHA WADHAI, DIPIKAAYATE and VV UJJAINKAR | 61-63 |
| The role of ICT in disseminating market information among coconut farmers- an empirical analysis SD SIVAKUMAR and V SAKTHIRAMA | 64-67 |
| Performance assessment of the self-help groups in Udham Singh Nagar district of Uttarakhand DEEPTI KOTHARI and VLV KAMESWARI | 68-73 |
| A comparative study on production and marketing of brown rice in Kerala and Tamil Nadu VM APARNA and S SELVAM | 74-79 |
| Influence of weed management methods on weed characteristics, yield and economics of machine-transplanted rice P SUNDARA PANDIAN and N THAVAPRAKASH | 80-84 |
| Evaluation of various levels of phosphorus and sulphur on yield and economics of blackgram (<i>Phaseolus mungo</i> L) in Vylogam soil series of Madurai district P GAYATHRI and P SARAVANA PANDIAN | 85-88 |
| Effect of boron on yield and economics of groundnut in boron-deficient soil series (Typic Rhodustalf) of Madurai district, Tamil Nadu R SUSAN POONGUZHALI and P SARAVANA PANDIAN | 89-92 |
| Efficacy of some fungicides and oil cake extracts against basal rot of onion caused by <i>Fusarium oxysporum</i> K SARAVANAKUMARI, S THIRUVUDAINAMBI, EG EBENEZAR and N SENTHIL | 93-96 |
| Blockchain: a tool for a secure, safe and transparent way of food and agricultural supply chain M KANDEEBAN and T NIVETHA | 97-100 |
| Effect of drip-fertigated and soil-drenched liquid organic manures on growth and yield of maize intercropped with vegetable amaranth MAANILA, VK DURASAMY and K NAGARAJAN | 101-106 |
| Detection of biofilm formation ability of <i>Streptococcus agalactiae</i> isolated from bovine mastitis cases M NASIM SOHAIL, D RATHNAMMA, S ISLOOR, BM VEEREGOWDA and R SHARADA | 107-115 |
| Purified lignin and its impacts on farm animals BHARTI SHARMA, DIPAK DEY and SANTU MONDAL | 116-119 |
| Ecologically-engineered seeds to enhance coccinellid and suppress aphid population in cabbage ecosystem G THAIYALNAYAGI, N MUTHUKRISHNAN, YS JOHNSON THANGARAJ EDWARD, R UMARANI and T ARUMUGAM | 120-125 |
| Constraints faced by extension officers of Coimbatore district, Tamil Nadu in using Uzhavan app V MATHUABIRAMI, JOYCE MAKOKHA and C KARTHIKEYAN | 126-130 |
| Screening of antibiotics to alter the <i>Plutella xylostella</i> L (Plutellidae: Lepidoptera) gut microbial diversity R GOWTHAMI, N MUTHUKRISHNAN, N NATARAJAN, M RAVEENDRAN, S NAKKEERAN and D BALACHANDAR | 131-136 |
